OPINION AND ORDER

Claimant appeals an opinion and order of the Administrative Law Judge filed February 14, 2020. In said order, the Administrative Law Judge made the following findings of fact and conclusions of law:

1. The Arkansas Workers' Compensation Commission has jurisdiction over this claim.
2. The stipulations agreed to by the parties are hereby accepted as fact.

3. The employment relationship existed at all times pertinent, to include April 19, 2012, when the Claimant sustained a compensable injury to her back.

4. The Opinion of the Full Commission dated January 18, 2019, is law of the case.

5. The Claimant has failed to prove that additional medical treatment is reasonable or necessary.

We have carefully conducted a *de novo* review of the entire record herein and it is our opinion that the Administrative Law Judge's February 14, 2020 decision is supported by a preponderance of the credible evidence, correctly applies the law, and should be affirmed. Specifically, we find from a preponderance of the evidence that the findings of fact made by the Administrative Law Judge are correct and they are, therefore, adopted by the Full Commission.

Therefore we affirm and adopt the decision of the Administrative Law Judge, including all findings and conclusions therein, as the decision of the Full Commission on appeal.

IT IS SO ORDERED.
