| TECHNOLOGY INSURANCE COMPANY,<br>INSURANCE CARRIER/TPA | RESPONDENT |

OPINION FILED DECEMBER 16, 2022

Upon review before the FULL COMMISSION in Little Rock, Pulaski County, Arkansas.

Claimant appeared *pro se*.

Respondents represented by the HONORABLE WILLIAM C. FRYE,  
Attorney at Law, North Little Rock, Arkansas.

Decision of Administrative Law Judge: Affirmed and Adopted.

### OPINION AND ORDER

Claimant appeals an opinion and order of the Administrative Law Judge filed March 29, 2022. In said order, the Administrative Law Judge made the following findings of fact and conclusions of law:

1. The Arkansas Workers' Compensation Commission has jurisdiction over this claim.
2. That the claimant has failed to satisfy the required burden of proof, by a preponderance of the evidence, that he was an employee of the respondent, Angelo Roofing, LLC, and that consequently, the injury is not compensable. As a result of this finding, all other issues are moot.

3. If not already paid, the respondents are ordered to pay for the cost of the transcript forthwith.

We have carefully conducted a *de novo* review of the entire record herein and it is our opinion that the Administrative Law Judge's March 29, 2022 decision is supported by a preponderance of the credible evidence, correctly applies the law, and should be affirmed. Specifically, we find from a preponderance of the evidence that the findings of fact made by the Administrative Law Judge are correct and they are, therefore, adopted by the Full Commission.

Therefore we affirm and adopt the decision of the Administrative Law Judge, including all findings and conclusions therein, as the decision of the Full Commission on appeal.

IT IS SO ORDERED.
