**DISMISSAL ORDER**

The Arkansas Board of Licensure for Professional Engineers and Professional Surveyors (hereinafter "the Board") registered a complaint on March 11, 2009, charging Donald E. Sheffer (AR-PS #993, hereinafter "Sheffer") with violation of Arkansas Code Annotated §17-48-102 (incompetence and/or negligence in the practice of surveying).

**FINDINGS OF FACT**

1. Sheffer is now, and was at all times relevant to the complaint, a licensed Professional Surveyor, and the Board has jurisdiction over his conduct.
2. Sheffer was retained to survey a parcel of land in Saint Francis County, Arkansas.
3. When the survey plat was delivered, it was relied upon to place a fence, which brought the landholder into conflict with an adjoining landholder.

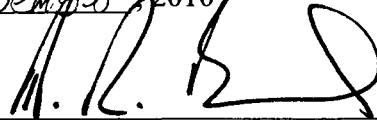

**CONCLUSIONS OF LAW**

The complaint did not allege specific error or wrong-doing by Sheffer, and the Board found no evidence of error, negligence, or other wrong-doing on the part of Sheffer.

**ORDER**
