Slide 4

### CAUSES OF EYE INJURIES

- Physical
- Chemical
- Thermal/ Radiation

---

---

---

---

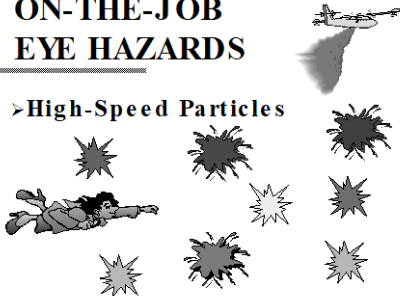

---

---

---

Slide 5

### ON-THE-JOB EYE HAZARDS

- High-Speed Particles

---

---

---

---

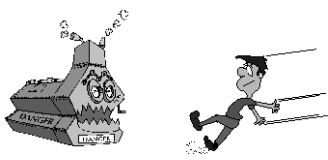

---

---

---

Slide 6

### ON-THE-JOB HAZARDS

- Contact With Objects

---

---

---

---

---

---

---

Slide 7

**ON-THE-JOB  
EYE HAZARDS**

**> Chemicals, Fumes & Heat**

---

---

---

---

---

---

---

Slide 8

**ON-THE-JOB  
EYE HAZARDS**

**> Welding/ Laser Hazards**

---

---

---

---

---

---

---

Slide 9

**WHO GETS  
EYE INJURIES?**

- > Craft Workers - 40%**
- > Machine Operators - 30%**
- > Construction - 20%**

---

---

---

---

---

---

---

Slide 10

**PREVENTING  
EYE INJURIES**

- Engineering Controls
- Choosing & Wearing Protective Eyewear
- Proper Training
- Equipment Maintenance

---

---

---

---

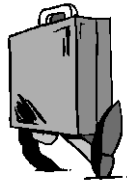

---

---

---

Slide 11

**PREVENTING  
EYE INJURIES**

- Engineering Controls

---

---

---

---

---

---

---

Slide 12

**PREVENTING  
EYE INJURIES**

- Choosing & Wearing Protective Eyewear

40% of Injured Employees Were Wearing the Wrong PPE When They Got Hurt

---

---

---

---

---

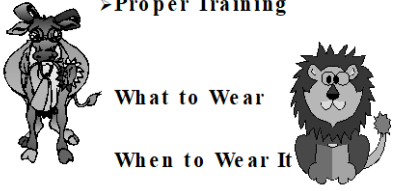

---

---

Slide 13

## PREVENTING EYE INJURIES

- Proper Training
- What to Wear
- When to Wear It

---

---

---

---

---

---

---

Slide 14

## PREVENTING EYE INJURIES

- Maintenance of PPE
  - ✓ Proper Fit
  - ✓ Clean as Needed
  - ✓ Proper Storage

---

---

---

---

---

---

---

Slide 15

## PROTECTIVE EYEWEAR

- Safety Glasses with Side shields
- Safety Goggles
- Face Shields
- Chemical Goggles

---

---

---

---

---

---

---

Slide 16

**FIRST AID FOR  
EYE INJURIES**

**>Burns**

- ❖Flush with Water for 15 minutes
- ❖Get Medical Attention Immediately
- ❖Do Not Bandage or Use an Eye Cup

---

---

---

---

---

---

---

Slide 17

**FIRST AID FOR  
EYE INJURIES**

**>Specks in the Eye**

- ❖Lift Upper Eyelid Outward and Down Over Lower Lid
- ❖Let Tears Flush Specks
- ❖Keep Eye Closed & Bandaged Lightly
- ❖If Speck Doesn't Wash Out – See a Doctor
- ❖Don't Rub Eyes

---

---

---

---

---

---

---

Slide 18

**FIRST AID FOR  
EYE INJURIES**

**>Cuts & Punctures**

- ❖Bandage Lightly
- ❖See a Doctor
- ❖Do Not Wash the Eye
- ❖Do Not Try to Remove Objects Stuck in the Eye

---

---

---

---

---

---

---

Slide 19

# FIRST AID FOR EYE INJURIES

---

➤ **Blows**

- ❖ Apply Cold Compresses
- ❖ See a Doctor If Discoloration of Skin Occurs

---

---

---

---

---

---

---

Slide 20

# EYES

One Pair Per  
Customer

Protect the Ones  
You Have

---

---
