Case #2009-09

Respondent:

Atlantic-Meeco, Inc
P.O. Box 3939
McAlester, OK 74502-3939

DISMISSAL ORDER

The Arkansas Board of Licensure for Professional Engineers and Professional Surveyors (hereinafter "the Board") recorded a complaint on January 19, 2009, charging Atlantic-Meeco, Inc (hereinafter "Atlantic-Meeco") with violation of Arkansas Code Annotated §17-30-303 (providing and/or offering to provide engineering services without a valid Certificate of Authorization).

FINDINGS OF FACT

1. On 12/01/08, the Board received an application from John Matricardi ("Matricardi") for Professional Engineering registration by reciprocity.
2. When the application was reviewed by the Board on 1/13/09, Matricardi's statements in the "NOTICE" indicated he intended to provide engineering services to Atlantic-Meeco, Inc, for a project to be built in Arkansas.
3. Since Atlantic-Meeco was not the end-user for the project, the Board ordered an investigation into whether Atlantic-Meeco was offering Matricardi's services, without a Certificate of Authorization.

4. Upon investigation it was determined there was no evidence that Atlantic-Meeeco had yet done so.

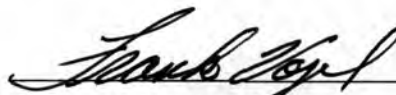

CONCLUSIONS OF LAW

Upon review of the evidence in its possession, the Board finds the conduct described in the Findings of Fact does not warrant further investigation or other action.

ORDER

Based on these findings, the complaint against Atlantic-Meeeco is dismissed.

SO ORDERED this 15th day of February 2010

Frank Vozel, Board President
