New Rule Changes!

We've updated some rules. Here's what's new:

1. Estate Sales and Online Auctions: Auctioneers who only do online auctions or estate sales no longer need to take and pass a verbal test. But their license will state this restriction.
2. Renewal Deadlines: The time to renew your license without a late fee is now 30 days (not 120). Renewals start May 1st, and you will have until July 31st. After that, a \$200 late fee applies until September 30th. If you miss this, your license will be revoked October 1.
3. Updated Rules: We've made changes about responsibilities of staff, exemptions and emergency auctioneer rules. We've also updated rules for uniformed service members to align with new laws.
