Case #2010-07

Respondent:

Daryl V. Doyal, PS

DISMISSAL ORDER

The Arkansas Board of Licensure for Professional Engineers and Professional Surveyors (hereinafter "the Board") registered a complaint on March 22, 2010, charging Daryl V. Doyal (AR-PS #1514, hereinafter "Doyal") with violation of Article 14.A.5 of the Rules of the Board. (Failure to adhere to the Minimum Standards for Boundary Surveys)

FINDINGS OF FACT

1. Doyal is now, and was at the time of the complaint, a Professional Surveyor licensee of the Board, and the Board has jurisdiction over his conduct.
2. Doyal was engaged in cleaning up from an ice storm which struck his neighborhood and two of his neighbors asked his assistance in marking a boundary to replace a fence damaged by the storm.
3. Doyal performed the necessary research, located the monumentation, and marked the line for the fence. Doyal was not compensated for his work, contributing it to the community clean-up.

AUG 17 2010

4. Doyal also filed a plat describing his findings with the State Surveyor.
5. Another Professional Surveyor obtained a copy of Doyal's plat from the State Surveyor, noted some Minimum Standards deficiencies, and brought the complaint.
6. The State Surveyor reviewed the plats previously filed by Doyal and found no evidence or pattern of non-compliance, and recommended no further investigation.
7. Doyal filed a corrected plat with the State Surveyor which met the Minimum Standards for Boundary Surveys.

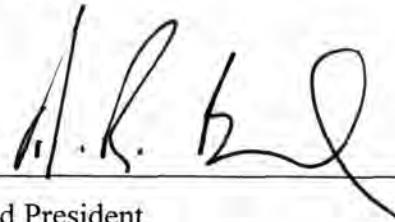

CONCLUSIONS OF LAW

In view of the Findings of Fact, the Board finds the conduct by Doyal alleged in the complaint does not warrant further investigation or other action.

ORDER

Based on these Findings and Conclusions, the complaint against Doyal is dismissed.
