Arkansas Department of Labor & Licensing

ELECTRICAL INSPECTOR CERTIFICATION TRAINING

2026 SCHEDULE

Beginning May 19th through December 8th, 2026, the Department invites Arkansas Electrical Inspectors to register online for the 2026, 8 - hours CEU requirement. Registration will be available while space is available, the fee to register for this ADLL Training is $50.00 per person. **All applicants prior to registration must possess a valid Arkansas Electrical Inspector License.** The Fee of the annual license is $50.00. Training will be provided by the Departments Electrical Chief Mr. Russell Hull.

Training will begin at 8:30 am and end at 4:30 pm, breaks have been scheduled throughout the training. Certificates will only be issued for registered attendees who are present for the 8 hours. Attendees may sign up for 1 class as space is limited. All attendees should be signed up no later than 1 week prior to the scheduled date, time and location.

Certification received during this time will be valid for Electrical Inspectors annual renewal in December. This certification will be valid for the renewal of your electrical Journeyman or Master license. Published materials that will be used during this training will NEC 2020, 2023 & 2026 specifically noting the changes between code cycles and the Departments administrative rules.

Class schedules are limited; certificates will be given at the end of class upon completion of verified online registration and attendance.

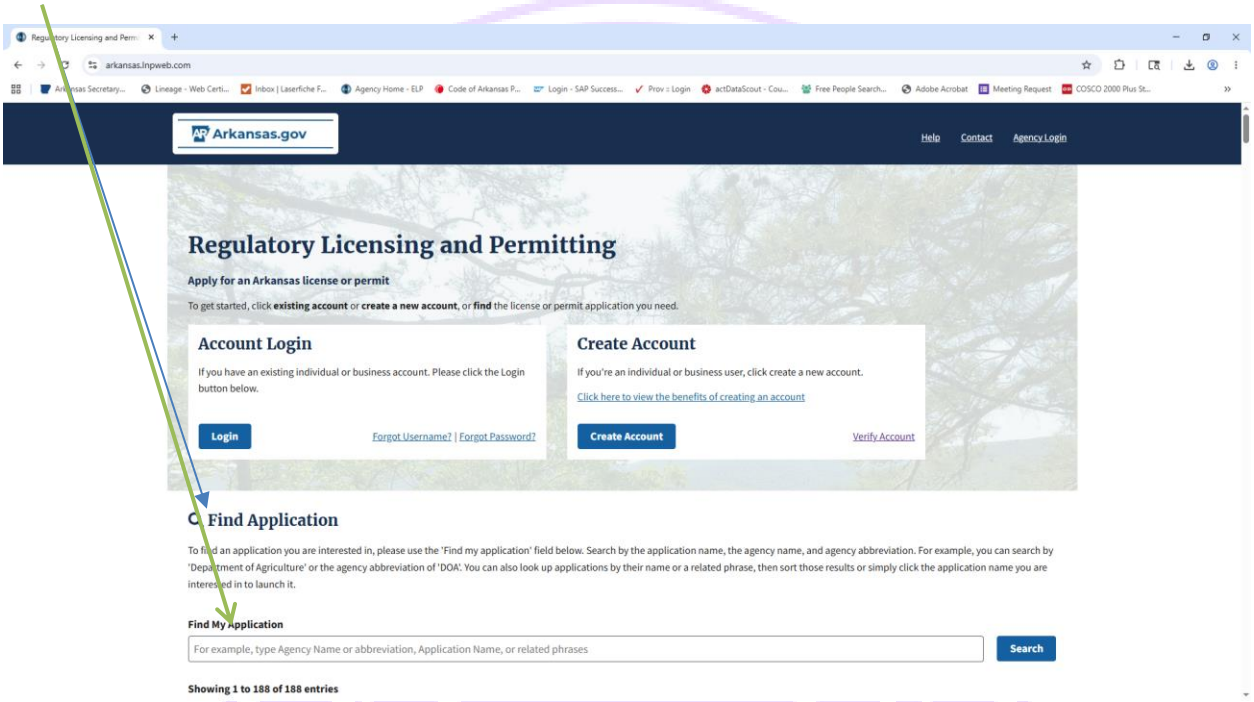
How to Renew your Electrical Inspector License:

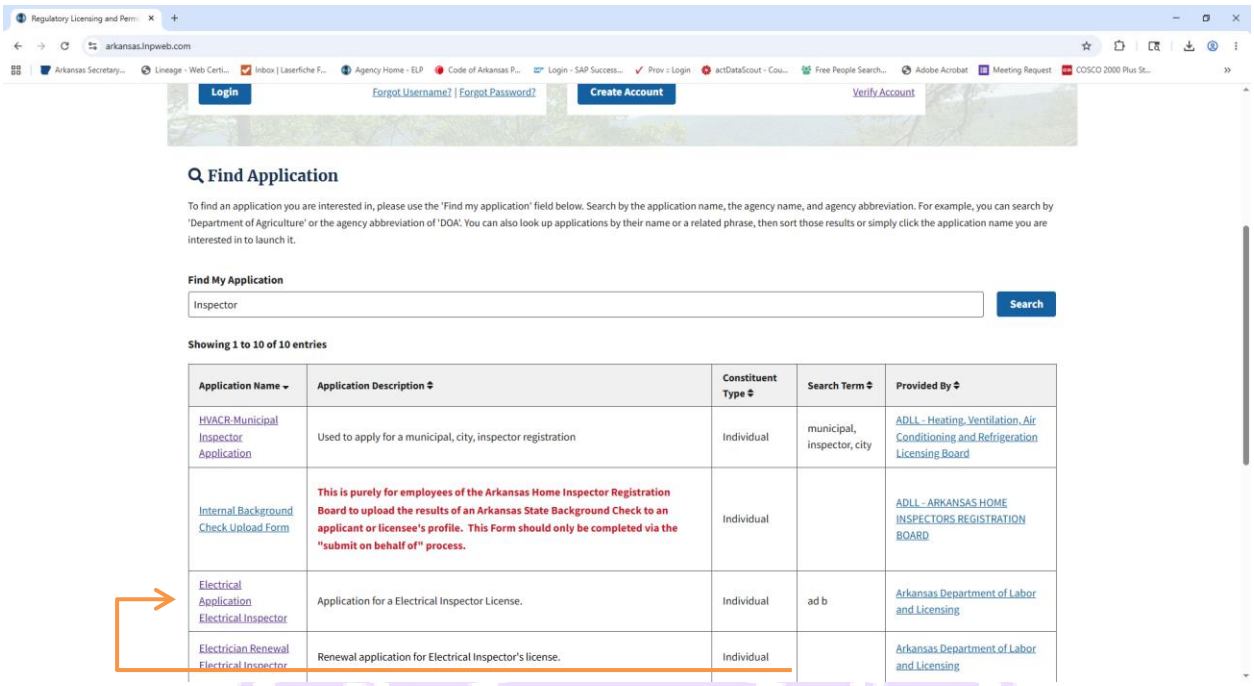
Step 1: Visit https://arkansas.lnpweb.com/

Under find my application type the word “Inspector”, then click search.

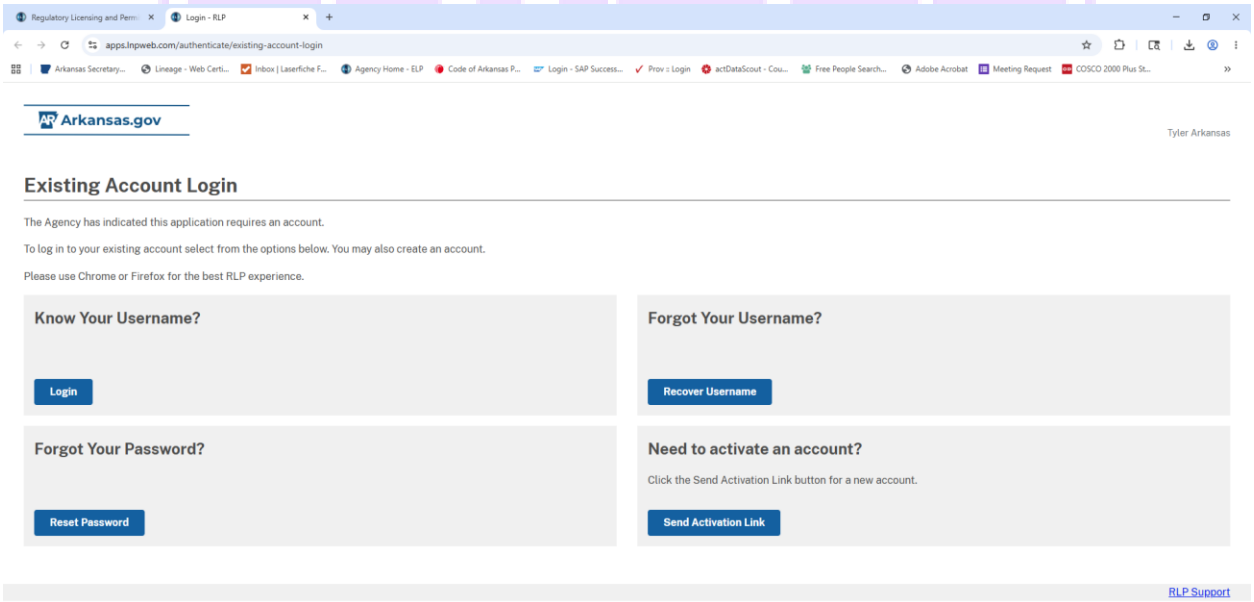


Step 2: Scroll down to the 4th application, click on the application.

For **New** Inspectors, You will select the 3rd application from this list. You will create a free profile and apply for the license. The cost of the license is $50.00 annually. You will need a letter from your City for an initial application.



Step 3: From the Existing Account Login, click Login. If you have forgotten your password, you can reset it here. Once you log into your profile you will be on the application for your license renewal.



What you need to renew your Electrical Inspector's license **EVERY** Year:

- **A letter from the city you work for, stating you are still employed.** The letter should have your name, how long you have been with the city/municipality/etc. and be signed by someone other than yourself. (If your city can provide a letter head document that is preferred.)
- 8 – Hours of Arkansas Department of Labor & Licensing (ADLL) Inspector training.

What you need to know:

- You need to renew your license each year from December 1 – 31 by midnight or the system will charge you an additional $50.00 on January 1 of the following year.
- Working without a license and performing inspections may result in fines and penalties.
- For up to date Rules and Regulations for the Electrical section please visit https://labor.arkansas.gov/labor/code-enforcement/electrical-inspection-and-licensing/
- We will be updating the page over the next few months to provide more information pertaining to all of the licenses and applications we offer.
