 - (34) Stalking as prohibited in § 5-71-229;
 - (35) Criminal attempt, criminal complicity, criminal solicitation, or criminal conspiracy, as prohibited in §§ 5-3-201, 5-3-202, 5-3-301, and 5-3-401, to commit any of the offenses listed in this subsection; and
 - (36) All other crimes referenced in this title.
- (b)
- (1) If an individual has been convicted of a crime listed in subsection (a) or subsection (e) of this section, a licensing entity may waive disqualification or revocation of a license based on the conviction if a request for a waiver is made by:

- (A) An affected applicant for a license; or
 - (B) The individual holding a license subject to revocation.
- (2) A basis upon which a waiver may be granted includes without limitation:
- (A) The age at which the offense was committed;
 - (B) The circumstances surrounding the offense;
 - (C) The length of time since the offense was committed;
 - (D) Subsequent work history since the offense was committed;
 - (E) Employment references since the offense was committed;
 - (F) Character references since the offense was committed;
 - (G) Relevance of the offense to the occupational license; and
 - (H) Other evidence demonstrating that licensure of the applicant does not pose a threat to the health or safety of the public.
- (3) The waiver requirements of this section are not required for a renewal of a license if an individual has been convicted of a crime listed in subsection (a) of this section and has either:
- (A) Completed the waiver requirements of this section at his or her initial licensure;
 - (B) Been licensed in this state before the enactment of subsection (a) of this section; or
 - (C) Attended a professional or occupational school, program, or training in pursuit of an occupational license before the enactment of subsection (a) of this section and would have been qualified to hold an occupational license on or before July 24, 2019.
- (c) If an individual has a valid criminal conviction for an offense that could disqualify the individual from receiving a license, the disqualification shall not be considered for more than five (5) years from the date of conviction or incarceration or on which probation ends, whichever date is the latest, if the individual:
- (A) Was not convicted for committing a violent or sexual offense; and
 - (B) Has not been convicted of any other offense during the five-year disqualification period.
- (d) A licensing entity shall not, as a basis upon which a license may be granted or denied:
- (1) Use vague or generic terms, including without limitation the phrases “moral turpitude” and “good character”; or

(2) Consider arrests without a subsequent conviction.

(e) Due to the serious nature of the offenses, the following shall result in disqualification for licensure, regardless of the date of conviction or the date on which probation or incarceration ends unless a waiver is granted under subsection (b) of this section:

(1) Capital murder as prohibited in § 5-10-101;

(2) Murder in the first degree as prohibited in § 5-10-102 and murder in the second degree as prohibited in § 5-10-103;

(3) Kidnapping as prohibited in § 5-11-102;

(4) Aggravated assault upon a law enforcement officer or an employee of a correctional facility as prohibited in § 5-13-211, if a Class Y felony;

(5) Rape as prohibited in § 5-14-103 or capital rape as prohibited in § 5-14-114;

(6) Sexual extortion as prohibited in § 5-14-113;

(7) Sexual assault in the first degree as prohibited in § 5-14-124 and sexual assault in the second degree as prohibited in § 5-14-125;

(8) Incest as prohibited in § 5-26-202;

(9) Endangering the welfare of an incompetent person in the first degree as prohibited in § 5-27-201;

(10) Endangering the welfare of a minor in the first degree as prohibited in § 5-27-205;

(11) Adult abuse that constitutes a felony as prohibited in § 5-28-103;

(12) Arson as prohibited in § 5-38-301; and

(13) Engaging children in sexually explicit conduct for use in visual or print media, transportation of minors for prohibited sexual conduct, pandering or possessing visual or print media depicting sexually explicit conduct involving a child, or use of a child or consent to use of a child in a sexual performance by producing, directing, or promoting a sexual performance by a child, as prohibited in §§ 5-27-303 — 5-27-305, 5-27-402, and 5-27-403.

(f) This chapter does not preclude a licensing entity from taking emergency action against a licensee as authorized under § 25-15-211 for the sake of public health, safety, or welfare.

(g) The disqualification for an offense listed in subsection (a) of this section and the disqualification for an offense listed in subsection (e) of this section do not apply to:

(1) An individual who holds a valid license on July 24, 2019;

(2) An individual who holds a valid license on or before July 24, 2019, but failed to renew his or her license for any reason; or

(3) An individual who was a student on or before July 24, 2019, in a professional or occupational school, program, or training in pursuit of an occupational license and would have been qualified to hold an occupational license on or before July 24, 2019.

(h) This section does not apply to licensure or certification:

(1) Of professions not governed by this title;

(2) Of polygraph examiners and voice stress analysis examiners under § 17-39-101 et seq.;

(3) Of private investigators and private security agencies under the Private Security Agency, Private Investigator, and School Security Licensing and Credentialing Act, § 17-40-101 et seq.;

(4) Of body artists under § 17-26-601 et seq. who hold a valid license on or before July 1, 2024; or

(5) Of cosmetologists licensed under Title 17, Chapter 26, Subchapter 3.

17-33-101. Definitions.

As used in this chapter:

(1) [Repealed.]

(2) “BTUH” means British Thermal Unit per hour of heat;

(3) [Repealed.]

(4) [Repealed.]

(5) “Heating and air conditioning” means the process of treating air to control temperature, humidity, cleanliness, ventilation, or circulation to meet human comfort requirements;

(6) “Heating, ventilation, air conditioning, and refrigeration” or “HVACR” means the design, installation, construction, maintenance, service, repair, alteration, or modification of a product or of equipment in heating and air conditioning, refrigeration, ventilation, or process cooling or heating systems;

(7) “Horsepower” means the equivalent to seven hundred forty-six (746) watts;

(8) “HVACR gas fitting work” means gas fitting work for the purpose of supplying an HVACR system and shall be limited to installing seventy-five feet (75') or less final of gas piping connection to a heating unit from an existing, accessible manual safety shutoff gas cock, installing flue gas vents and combustion air for the HVACR system;

(9) "HVACR Licensing Fund" means a fund established under this chapter to be used exclusively to fund all activities covered under this chapter;

(10) "HVACR maintenance work" means repair, modification, service, and all other work required for the normal continued performance of an HVACR system. This term does not include the installation or total replacement of a system or the installation of boiler or pressure vessels that must be installed by persons licensed under § 20-23-101 et seq.;

(11) "Licensee" means the holder of a license issued pursuant to this chapter;

(12) "One ton" means twelve thousand (12,000) BTUH;

(13) "Persons" means any individual, firm, partnership, copartnership, corporation, association, cooperative, or any other association or combination thereof;

(14) "Public entity" means any agency of the State of Arkansas or any political subdivision of the state;

(15) "Refrigeration" means the use of mechanical or absorption equipment to control temperature or humidity, or both, in order to satisfy the intended use of a specific space other than for human comfort;

(16) "Registrant" means a person who:

(A) Does not hold a Class A, Class B, Class D, or Class E HVACR license;

(B) Can only perform work for an HVACR licensee; and

(C) Holds a current HVACR registration;

(17) "Repair" means the reconstruction or replacement of any part of an existing HVACR system for the purpose of its maintenance;

(18) "Subcontractor" means a person who performs a portion of the HVACR installation; and

(19) "Ventilation" means the process of supplying or removing air by natural or mechanical means to or from any space.

17-33-102. Exemptions.

(a) This chapter shall not apply to:

(1) Household appliances;

(2) American Gas Association-approved unvented space heaters;

(3) Factory assembled air-cooled, self-contained refrigeration equipment of one and one-half horsepower (1.5 h.p.) or less and which have no refrigerant lines extending beyond the cabinet enclosure;

(4) Factory assembled air-cooled, self-contained, window-type air conditioning units of thirty-six thousand (36,000) BTUH or less not connected to ducts;

(5) Window, attic, ceiling, and wall fans in residences; or

(6) Poultry operations whether engaged in hatching, primary processing, or further processing of chicken, turkey, or other fowl.

(b) This chapter shall not apply to a person who:

(1) Performs HVACR work in an existing building or structure owned and occupied by him or her as his or her home;

(2) Performs HVACR work in an existing building or structure owned or occupied by him or her on his or her farm;

(3) Performs work for public utilities on construction, maintenance, and development work that is incidental to his or her business;

(4) Performs work on motor vehicles;

(5) Is an architect or registered engineer who designs HVACR systems for design criteria only;

(6) Is an employee of a hospital and performs HVACR work that is incidental to the hospital's operation;

(7) Installs or does maintenance work on a gas-fired floor furnace, wall furnace, or unit heater, if the person is licensed pursuant to § 17-38-301 et seq. and the work is performed within the limitations of the person's license; or

(8) Is a pipefitter, welder, well driller, sheet metal worker, or plumber working under a Class A, Class B, Class D, or Class E licensee and who is enrolled in or has satisfactorily completed an apprenticeship training program approved by the State of Arkansas in his or her respective trade, and whose work is performed within the limitations of the person's license.

(c) The provisions of this chapter shall not apply to a person or public entity serving or repairing its own HVACR system by its own personnel specifically trained for such service or repair.

(d) Any person exempt under this section is required to conform to rules on the performance of HVACR work as well as obtaining local permits and inspections as may be required by local ordinance.

17-33-103. HVACR gas fitting and electrical work.

(a) Any individual licensed or registered to perform HVACR work may perform HVACR gas fitting work without obtaining any other license to perform the work. HVACR gas fitting work shall be performed in accordance with the appropriate standards for gas fitting work.

(b) Any individual licensed or registered to perform HVACR work may perform electrical connections to heating and air conditioning units without obtaining any other license to perform the work, so long as the connection is made to a disconnecting means suitable in capacity for the equipment to be served and is provided by others within seventy-five feet (75') of the unit.

(c) Nothing in this chapter shall be construed as allowing an HVACR licensee to perform electrical work without complying with any applicable local code, city code, state code, or national code pertaining to electrical work.

17-33-104. Local permits and licensing.

Any individual who is licensed or registered under this chapter shall not be required to obtain a license from any city or county to perform HVACR work. However, the work performed shall be subject to local permits and inspections if required.

17-33-105. Penalties — No enforcement of liens.

(a)

(1)

(A)

(i) Any person who violates any provision of this chapter or violates any rule or order of the HVACR Licensing Board or any permit, license, or certification may be assessed a civil penalty by the board in accordance with the rules issued by the board.

(ii) The penalty shall not exceed one thousand dollars (\$1,000) for each violation per day, and each day of a continuing violation may be deemed a separate violation for purposes of penalty assessments.

(B) However, no civil penalty may be assessed until the person charged with the violation has been given the opportunity for a hearing on the violation.

(2) The amount of any civil penalty levied by the board may be recovered in a civil action brought by the board in a court of competent jurisdiction without paying costs or giving bond for costs.

(b) In addition to the civil penalty provided in this section, the board is authorized to petition any court of competent jurisdiction without paying costs or giving bond for costs to:

- (1) Enjoin or restrain any violation of or compel compliance with the provisions of this chapter and any rules or orders issued thereunder;
 - (2) Affirmatively order that remedial measures be taken as may be necessary or appropriate to implement or effectuate the purposes and intent of this chapter; and
 - (3) Recover all costs, expenses, and damages to the board and any other agency or subdivision of the state in enforcing or effectuating the provisions of this subchapter.
- (c) If an unlicensed person who is required to be licensed performs HVACR work in violation of this subchapter, that person shall not be entitled to a mechanic's and materialman's lien, a laborer's lien, a repairmen's lien, or any other artisan's lien for work done in violation of this subchapter.

17-33-106. Exemptions for license.

Persons licensed by the Liquefied Petroleum Gas Board pursuant to the Liquefied Petroleum Gas Board Act, § 15-75-101 et seq., are exempt from the provisions of this chapter pertaining to heating, ventilation, air conditioning, and refrigeration when:

- (1) Engaged in the installation, repair, or replacement of a liquefied petroleum gas appliance so long as the appliance is not connected to a refrigeration system, except that such persons may also engage in the replacement or repair of a liquefied petroleum gas central heating unit when it is combined with an air conditioning unit; and
- (2) Engaged in the installation of a venting system required for a vented-type liquefied petroleum gas appliance.

17-33-201. Creation — Members.

(a) There is hereby created the HVACR Licensing Board to be composed of nine (9) members appointed by the Governor and confirmed by the Senate. The board shall be composed of the following members who shall be residents of the State of Arkansas:

- (1) The secretary of the board shall be a representative of the Department of Labor and Licensing;
- (2) Two (2) members of the board shall be Class A license holders whose business is located in the State of Arkansas;
- (3) Two (2) members of the board shall be Class B license holders whose business is located in the State of Arkansas;
- (4) One (1) member of the board shall be a mechanical engineer registered in the State of Arkansas who is directly associated with HVACR design;

- (5) One (1) member of the board shall be a representative of a city or county HVACR inspection program;
- (6) One (1) member of the board shall be a consumer with no personal or financial interest in the HVACR industry; and
- (7) One (1) member of the board shall be a member of the Mechanical Contractors Association of Arkansas, Inc., who holds a current state contractor's license.
- (b) A member shall serve until he or she is replaced by a successor.
- (c) No member shall serve more than two (2) successive terms on the board, or until he or she ceases to be qualified as required by this chapter.
- (d) The secretary of the board, who shall be an employee of the Department of Labor and Licensing, shall serve at the pleasure of the Governor, and all other members shall serve four-year terms.
- (e) Members of the board may receive expense reimbursement and stipends in accordance with § 25-16-901 et seq.

17-33-202. Powers and duties.

The HVACR Licensing Board may:

- (1) Adopt certain rules to ensure the proper administration and enforcement of this chapter;
- (2)
 - (A) Except as provided in subdivision (2)(B) of this section, adopt a mechanical code and standards for the conduct of HVACR work.
 - (B) A mechanical code or standard adopted under subdivision (2)(A) of this section shall not prohibit or limit the use of a refrigerant designated as acceptable for use in accordance with 42 U.S.C. § 7671k, as it existed on January 1, 2023, if the equipment containing the refrigerant is listed and installed in accordance with the safety standards and use conditions established in accordance with 40 C.F.R. §§ 82.170 — 82.184, as they existed on January 1, 2023;
- (3) Assist and advise the Department of Labor and Licensing on all matters related to the licensing of HVACR maintenance work;
- (4) Conduct hearings on all matters related to the licensing and inspection of HVACR work;
- (5) Establish HVACR code inspection programs;
- (6) Conduct investigations into the qualifications of applicants for licensure at the request of the department;

- (7) Review applications for examination for a Class A, Class B, Class D, Class E, and Class L license;
- (8) Establish by board rule a minimum level of general liability insurance coverage for a license if the board determines that a specific class of license requires insurance coverage;
- (9) Establish by board rule a maximum of eight (8) hours per International Mechanical Code cycle of continuing education if the board determines that a specific class of license requires continuing education;
- (10) Assist and advise the department in other such matters as requested by the department; and
- (11) Establish fees for the proper administration of the requirements of this chapter.

17-33-203. Administrative procedures.

For the purpose of this chapter, all hearings conducted by the HVACR Licensing Board and all appeals taken from the decisions of the board shall be pursuant to the Arkansas Administrative Procedure Act, § 25-15-201 et seq.

17-33-204. Fees.

(a)

(1) The HVACR Licensing Board shall adopt a fee schedule by rule. The fee schedule may include, but is not limited to:

(A) Testing fees;

(B) License fees;

(C) Civil penalty fees;

(D) Registration fees;

(E) Inspection fees;

(F) Renewal fees;

(G) Late renewal fees; and

(H) Late penalty fees.

(2) The board may provide for a reduction in the fees of a person or partnership who holds one (1) or more licenses determined by the board to be HVACR-related and for which the board determines a reduction in fees should be allowed.

(b) Until a fee schedule is established by the board, the licensure and registration fees shall be as follows:

Class A License \$200.00

Class B License 150.00

Class D License 150.00

Class E License 150.00

Class L License No Charge

Registration Fee 25.00.

(c) The fees established by the board for licensure and registration shall not exceed the amounts provided for in subsection (b) of this section.

17-33-205. Disposition.

(a)

(1) All fees or payments of any type collected by the HVACR Licensing Board under this chapter shall be deposited into the State Treasury as special revenues, and the Treasurer of State shall credit those fees or payments to the "HVACR Licensing Fund" which is hereby created.

(2)

(A) All funds deposited into the HVACR Licensing Fund shall be used for the maintenance, operation, and improvement of the HVACR Licensing and Inspection Program of the Department of Labor and Licensing.

(B) The Chief Fiscal Officer of the State is hereby authorized, from time to time, to make transfers of moneys from the Budget Stabilization Trust Fund as loans to the HVACR Licensing Fund to be used for maintenance and operation of the program. Provided, that any such moneys loaned from the Budget Stabilization Trust Fund to the HVACR Licensing Fund shall be repaid from fees derived from the program on or before the last day of the fiscal year in which the loan of the funds is made.

(3) Subject to such rules as may be implemented by the Chief Fiscal Officer of the State, the disbursing officer for the Department of Labor and Licensing is hereby authorized to transfer all unexpended funds relative to the program that pertain to fees collected, as certified by the Chief Fiscal Officer of the State, to be carried forward and made available for expenditures for the same purpose for any following fiscal year.

(b) Any moneys received from the sale or trade of motor vehicles and other capital equipment purchased with HVACR licensing funds shall be credited to the HVACR Licensing Fund.

17-33-301. License required.

(a) It is unlawful for any person to engage in HVACR work without the appropriate license or registration provided by this chapter, unless exempted pursuant to this chapter.

(b) It is unlawful for any licensee to allow a nonlicensed person to use his or her Arkansas HVACR license number for any purpose.

17-33-302. Qualifications.

(a) An applicant for an HVACR license must meet the following minimum requirements. The applicant must:

(1) Be an individual of at least eighteen (18) years of age;

(2) Make application to the Department of Labor and Licensing on forms prescribed by the HVACR Licensing Board;

(3) Specify the class of license desired;

(4) Meet all requirements specified by rule promulgated by the board;

(5) Pay the appropriate examination and license fees required by the board; and

(6) Pass the appropriate examinations specified by the board.

(b) An applicant who fails an examination is eligible for reexamination.

17-33-303. Classes of licenses.

(a) Except as otherwise provided in this chapter, every individual who designs, installs, constructs, maintains, services, repairs, alters, or modifies any HVACR system or any portion of an HVACR system in the State of Arkansas shall obtain one (1) of the following classes of license and pay the fees prescribed by the HVACR Licensing Board:

(1) Class A — Entitles the licensee to perform HVACR work without limitation to BTUH or horsepower capacities;

(2) Class B — Entitles the licensee to perform HVACR work on air conditioning systems that develop a total of not more than twenty-five (25) tons of cooling capacity per unit or one million (1,000,000) BTUH heating input per unit and refrigeration systems of fifteen horsepower (15 h.p.) or less per unit;

(3) Class D — Entitles the licensee to perform sheet metal work as it relates to ductwork for HVACR systems without regard to or limitation of horsepower of the system to which the duct connects. The

licensee in this category is prohibited from the sale, installation, and service of HVACR equipment and systems;

(4) Class E — Entitles the licensee to perform refrigeration work as defined in § 17-33-101 without regard to or limitation of horsepower. The licensee in this category is prohibited from the sale, installation, and service of heating and air conditioning equipment used for the treatment of air for human comfort requirements; and

(5) Class L — Entitles a licensee to apply for and obtain a restricted lifetime license without having to pay a license fee in any specific category of license as defined in this chapter. The applicant must be at least sixty-five (65) years of age and hold a current license in good standing with the board. The board shall promulgate rules to define the specific requirements of the lifetime license.

(b) The board shall promulgate rules necessary to carry out the provisions of this section.

(c)

(1) An individual may perform HVACR work under a Class A, Class B, Class D, or Class E HVACR license holder by registering with the Department of Labor and Licensing.

(2) Annual registration, including without limitation payment of the fee as required by the board, for the registrant shall be the responsibility of the HVACR license holder.

(3) All licensees are responsible for ensuring that all HVACR employees hold a current HVACR registration or HVACR license.

17-33-304. Display of license number.

Every individual licensed under this chapter shall display his or her HVACR license number on all his or her business vehicles and in all forms of advertising in a manner prescribed by the rules promulgated by the HVACR Licensing Board.

17-33-305. Grounds for denial.

All applicants who meet the requirements for licensure or registration shall be issued the appropriate license or registration, except that the HVACR Licensing Board may deny a license if the applicant has:

(1) Committed any act which if committed by a licensee or registrant would be grounds for suspension or revocation of the license or registration;

(2) Previously been denied a license or registration under this chapter for cause or previously had a license or registration revoked for cause; or

(3) Knowingly made any false statement or misrepresentation on the application.

17-33-306. Expiration and renewal.

All licenses or registrations issued under this chapter shall expire one (1) year after the date of issuance or at a time specified by the HVACR Licensing Board of the Department of Labor and Licensing. To renew a license or registration, the licensee must submit to the Department of Labor and Licensing before the expiration date on a form prescribed by the department the appropriate license or registration fees required by this chapter.

17-33-307. Grounds for suspension or revocation.

The HVACR Licensing Board, on its own motion, may make investigations and conduct hearings and, on its own motion or upon complaint in writing signed and verified by the complainant, suspend or revoke any license or registration if it finds that the holder of the license or registrant has:

- (1) Made a material misstatement in the application for license or registration or renewal thereof;
- (2) Demonstrated incompetency to act as a license holder or registrant according to rules and standards promulgated by the board;
- (3) Violated any provisions of this chapter or any rule or order prescribed by the board; or
