

BEFORE THE ARKANSAS BOARD OF REGISTRATION FOR  
PROFESSIONAL ENGINEERS AND LAND SURVEYORS

Case #2009-06, in the matter of Madison Henderson:

COMPLAINT

The Arkansas Board of Registration for Professional Engineers and Land Surveyors (hereinafter "the Board") registered a complaint on February 10, 2009, charging Madison Henry Henderson, II (non-registrant, hereinafter "Henderson") with practicing and/or offering to practice engineering in Arkansas, in violation of Arkansas Code Annotated §17-30-102(b).

FINDINGS OF FACT

1. On October 31, 2008, the Board received an application from Henderson for comity registration as a Professional Engineer.
2. When the application was reviewed by the Board on January 13, 2009, Henderson's answer to Question #4 (The status of plans or reports on any project in Arkansas for which you have been retained as the engineer.) of the "NOTICE TO ALL APPLICANTS FOR REINSTATEMENT OR RECIPROCAL REGISTRATION" was "Design Development Phase." This answer was evaluated to mean that Henderson had offered to practice, and perhaps had practiced, engineering in Arkansas, prior to becoming a registrant.
3. Further investigation by the staff of the Board found the status of the plans described referred to the activities of the architect for the project, and not to Henderson.

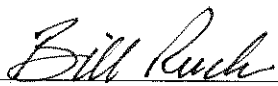

CONCLUSIONS OF LAW

Upon review of the evidence in its possession, the Board finds Henderson's actions as described in the Findings of Fact do not constitute a violation of the statutes or rules governing the Arkansas Board of Registration for Professional Engineers and Land Surveyors.

ORDER

Based on these findings, the complaint against Henderson is dismissed without further action by the Board.
