

## #4 Requirements for the Tow Vehicle Pictures

*For each tow vehicle, pictures of the driver side and passenger side must be submitted.*

### Side Photos

Submit a driver and passenger side photo for each vehicle. For each side photo, the business name and phone number must be clearly visible and readable. The pictures must show the entire side of the truck, not just the door. You may submit multiple side photos to meet this requirement, if needed.

- The lettering must be at least 2" in height and in a contrasting color.
- The name of the tow company and the phone number must be readable from at least 50'.

### License Plate Photo

You will submit the plate picture no more than 60 days **AFTER** you receive the permit from ATRB. Submit a photo from the front or the rear of the tow vehicle of the license plate. The plate must be readable, and we must be able to tell that it is on the tow vehicle you are permitting. The license plate **MUST** Have the "Tow Vehicle" sticker affixed, which is issued by the DFA-Office of Motor Vehicle. The "Tow Vehicle" sticker is not required for apportioned plates.
